RENEWED PETITION FOR DUPLICATE LETTERS PATENT PURSUANT TO 37 C.F.R.
\$1.181 or ALTERNATELY UNDER \$1.182

This petition is made to issue Letters Duplicate Patent for the United States Patent noted above to the undersigned based on the fact that the undersigned attorney/firm did not receive the original letters patent. The undersigned states that the original Letters Patent was never received at the Correspondence Address indicated on the form PTOL-85B submitted with the payment of the Issue Fee. The undersigned further attests that a search of the file jacket and docketing records indicates that the Letters patent was not received. Enclosed please find a copy of our docketing event log for the period in which the non-received Letters Patent would have been entered had it been received (December 4, 2007 – December 31, 2007), confirming that receipt of the Letters Patent was not recorded. No fee is believed due. Should the USPTO determine that a fee is due, authorization is granted to charge said fee to Deposit Account Number 033975 (Ref. No. 041230-0307652).

Respectfully submitted,
